Enforcement of all government orders of lockdown

All police officers and personnel were briefed about the orders issued by the Government of India and Administration of Dadra & Nagar Haveli and Daman & Diu to implement lockdown successfully in the area of Daman district.

Border pickets at interstate border

All entry/exit points on the interstate border with Gujarat state were sealed. These 27 entry/exit points were manned on a 24x7 basis. Medical staff was also detailed to sanitize the vehicles entering the essential duties in Daman district.

Internal Pickets

After the announcement of lockdown in Daman district, it was ensured that there was no crowding/gathering of people in various market places to buy essential things viz., vegetables, milk, food grains, fruits etc, and they followed social distancing.

For this purpose, 20 internal pickets were identified and local police, and Home Guard personnel were deployed. This police staff was also directed to guide the general public to maintain social distancing during their day-to-day activity.

Regular patrolling on roads with announcement on PA system

PA system in all police vehicles was used to increase social awareness.

Registration of cases, preventive action against violators and their arrests.

During the lockdown so far, 15 FIRs were registered in Daman District.

16 accused persons were arrested in the above said FIRs.

Preventive actions were taken against 49 persons.

Seizure of vehicles in violation

During the lockdown, 561 vehicles were seized by the police.

Enforcement of social distancing norms

All shopkeepers, retailers etc. were briefed that they would mark/circles/squares for the customers at least 1 meter apart in front of their shops so as to ensure social distancing.

Coordination with other departments and neighbouring districts

All officers were in constant touch with each other for a better coordination.

Use of social media to enforce lockdown

In case of violation of lockdown, legal action was initiated at police stations by registering FIRs and the same were published in local newspapers and also circulated on social media to make the public aware.

Identifying migrant labourers or stranded workers, taking them to shelter/quarantine centres

There were no stranded labourers/workers in Daman district.

INDIAN POLICE RESPONSE TO COVID - 19

Persons who were coming to Daman district from other states were sent to District Quarantine Centre.

Ensure smooth supply chain of essential commodities

All goods vehicles were moving freely to ensure smooth supply.

Awareness about hygiene standard, use of sanitizers and disinfection drive.

All offices, police stations, out posts etc. were regularly sanitized.

Hand sanitizers and masks were distributed to all the staff members.

Police colonies were sanitized regularly.

The police department of Daman, as part of humanitarian endeavours, distributed free food packets and kits with essential provisions to those in need.

More than 15,000 migrant workers were sent to their native place. The police department of Daman ensured peaceful medical screening and transportation in an organised and disciplined manner.

Because of the strict implementation of the lockdown by Daman & Diu Police, there was not a single case of COVID-19, detected in Daman & Diu till the end of Lockdown 4.0 despite being surrounded by high COVID-19 districts of Valsad and Palghar and also had the highest sampling and testing per million population (much higher than national average).
