HARYANA POLICE COVID-19 RESPONSE

1) COVID-19 pandemic has presented a sudden and unprecedented challenge before the entire world.

2) Police along with Healthcare personnel are in the forefront of the efforts to prevent and contain the epidemic everywhere.

3) Haryana Police, under the able guidance and leadership of its DGP, Shri Manoj Yadava, IPS responded timely and effectively throughout this crisis. Resultantly, Haryana is among the few states which has had remarkable success despite its close proximity and connectivity with the National Capital where the pandemic has spread a lot. The total positive COVID-19 cases in the State as on 26.04.2020 are 296 (out of which 199 have been treated successfully) which are relatively low when compared to many states of similar size and population.

4) At the Police Headquarters a State Level Police COVID Crisis Management Team was constituted at State Police Headquarters under the chairmanship of ADGP, Law & Order, Haryana Sh Navdeep Singh Virk and the overall supervision of DGP Haryana. The team consisted of a DIG rank officer and five SP rank officers as members.

   a) The main responsibilities assigned to this team are:

      i) Immediate dissemination of information/directions of Center/State Government to field units.

      ii) Co-ordinating and supervising the efforts of field units in tackling the COVID-19 crisis.

      iii) Co-ordination with different departments/authorities of State and Union Government.

      iv) Strengthening of Welfare measures for the police employees working in the field units.

      v) Re-enforcement of field units with additional manpower from various units.

      vi) This team is meeting twice a day on regular basis and the issues crop up after discussion on the basis of inputs from field units are resolved and further action is taken as soon as possible.

   b) Three DSP Rank officers have been deputed at the State COVID-19 Control Room Numbers: +91-8558893911 and 1075 (Tollfree). The idea behind deputing senior officers was so that the issues coming to the notice of
the State Helpline are sorted out immediately. These officers were authorized to send a direct communication to the concerned districts to have the issues resolved.

c) Haryana Police also prepared **FAQs on lockdown** so as to educate the people and have widely disseminated the same on social media.

d) **Isolation of about 1500 police personnel** posted in Armed Police Battalions was planned early on and timely done, so as to replace the infected police personnel in the districts if need so arises.

5) **At the district level,** all the districts have made strategic deployment of police force so that lockdown norms are implemented and enforced in letter and spirit, strictly as per the guidelines laid down by MHA and State Government.

a) A total of 162 Inter State Border Nakas have been placed to prevent cross border movement of people. Out of these 162 Nakas, DSP rank officers have been deputed at 15 very important inter State entry points on National/State Highways.

b) The District Police Control Room are regulating the movement of PCR & other police vehicles which are not only enforcing the lockdown norms but also disseminating relevant messages educating the people about Covid-19 diseases and the importance of lockdown norms.

c) Out of total posted strength, 39915 district police officials, 4884 Special Police Officers (SPOs), 4242 Home Guards, 556 IRB police officials and 857 under training recruits have been deployed for COVID-19 related duties, which is approximately 76.87% of total strength.

d) During the implementation of the lockdown, the police personnel have been sensitized to act firmly on one hand and not to misbehave with public on the other. As a result, no major incidents of misbehavior of police with public has come to notice.

e) Police is ensuring that proper social distancing is maintained in Mandis during procurement in the State of Haryana. Senior Officers are visiting the spot regularly.

f) **Contact Tracing:** All the foreign returnees and other persons who are placed in isolation/quarantine are regularly being checked by police personnel. Those persons who could not be traced earlier because of non-availability of proper
address etc. are also being traced. A total of 18573 persons who have returned from foreign countries in the State since 30.01.2020, out of which, 18371 have been identified and 13409 persons were quarantined. Strict legal action has been taken against 46 persons who jumped the quarantine restrictions.

**g) Evacuation of foreign nationals:** On the request of MEA, instructions were issued to all districts to facilitate the evacuation of foreign nationals. In this regard, it is mentioned here that the Nationals of Brazil, Israel, Germany, Japan, Russia, Nepal, Bhutan and several other countries have been assisted by Haryana Police to be evacuated.

**h) Facilitation of Telecom Services:** On the request of telecom operators, instructions were issued to all districts to facilitate the movement of engineers and other staff working to maintain Telecom services.

**i) Help to Needy:** Several needy persons who were facing difficulties in reaching the hospitals for treatment were also got transported by the Police Department to various hospitals in the State and also to AIIMS, New Delhi in Police Vehicles to assist them.

**j) Help to Migrant Workers:** Daily wage earners who are stuck in various parts of the State are being facilitated by police taking them to shelter homes and providing them with food and other essential items required for their daily living. About 17,000 migrant workers were given shelter in temporary shelter homes set up.

**k) Humanitarian Aid:** Approximately **32.80 lakh** food packages have been distributed among migrant labour, daily wage earners and other poor and needy persons by police department along with the help of NGO’s, social and philanthropic persons and organization in the State. Besides, distribution of dry ration sufficient for seven days for a family has been facilitated to 14048 families by Police Department. In this time of crisis, whereas many private and Social Organizations, NGOs and philanthropic persons have come forward to help the people the general, it is the State Police which has emerged as ‘Messiah’ and ensuring that food and other essentialities like medicines reach to the poorest in every nook and corner of the State. This new ‘avatar’ of the
Haryana Police has widely been appreciated in the print, electronic and social media.

1) **Tracing the missionaries of Tablighi Jamaat:** A total of 1636 people related to Tablighi Jamaat and 2270 people whom they have met with so far have been tracked, medically examined and quarantined as per the COVID-19 protocol. Distt. SsP have also taken legal action against those who have violated conditions of tourist visa.

6) **Enforcement Efforts:** Haryana Police is enforcing the lockdown norms strictly as well as taking strict action lawful action in other connected matters, the details of which as on 26.4.2020 are as below:

### Index of COVID-19 data of Police Department

7) **Welfare Measures:** Haryana Police leadership is extremely sensitive about the welfare of its jawans deployed for fight against COVID-19 crisis. Police Headquarters has facilitated distribution of 112000 masks, 100000 gloves, 3216 PPE Kits, 50 Thermal Scanners and 5000 goggles to field units for COVID-19. Besides, a total of Rs. 4,87,03,750/- has been distributed among field units for distribution of free food to the police persons deployed in the field and for the purchase of other items like sanitizer, mask, gloves, PPE Kit, Thermal Scanner and google etc. so that policemen feel safe while performing their duty and their morale remains high.

8) The senior ranks like Superintendent of Police and IGP/ADGP Range are continuously putting up hard work in the field and are regularly checking and motivating the police duties.

9) DGP Haryana, has sent his message to every policeman up to the rank of Constable regarding **DO’s & Don'ts for police persons in this crisis** including his appreciation for the commitment of police persons.

10) Haryana Chief Minister, Shri Manohar Lal, has also appreciated the efforts of his police persons for giving their 100% in these troubled moments and serving 24x7 in this extraordinary time of need.
Pandemic brings image makeover for personnel in khaki

Go beyond call of duty while ensuring adherence to directions as virus blurs boundaries

POLICE Dossier

LOCKDOWN VIOLATIONS
6,682 residents
5,407 /8 months
3,971 arrests
7,973 vehicles seized

FOOD DELIVERY
17,85,900 parcels distributed
12,235

Families given dry ration for 7 days

ATTACKS ON RELIGIOUS MINORITIES
Fifths 19
Accused 89
Arrested 28

ACTION UNDER ENFORCE ACT
Fifths 687
Accused 872
Arrested 791

A PCR vehicle dropped the mother and newborn baby after they were discharged.

A resident of Prem Nagar in Yamunanagar seek police help after feeling uneasy at night. Since her

only son was stuck in Gurugram due to the lockdown. Responding to her call, the

police admitted her to a hospital and called her relatives.

A 15-year-old woman lost her way in Nanao and could not recall her address.

The police made her comfortable by offering tea till they located her family. Similarly, in Bhalswa, a visually

challenged mother with children was being continuously supplied meals by the

local police to make life a little easier for her.

There were among the many incidents that had changed the way the public looked at the men in khaki.

The police were performing an entire gamut of duties — distributing food packets and
dry ration to the hungry, keeping tabs on bootleggers since liquor raids were
disclosed, ensuring delivery of essentials and medicines for senior citizens, facilitating
movement of vehicles to maintain supply chains, counselling instanced patients, keeping migrants in

relief camps occupied, running a community kitchen to feed the hungry, and more.

"This has been an eye-opener that shows that the police have a humanitarian role. Exposure to weaker sections and difficulties of people has brought out the best in them. They are going to shun, unmindful of the dangers of exposure which everyone is avoiding. They are counseling people during contact tracing, persuading them to come to hospital and are an integral part of medical teams. This experience will change the police force. The gratitude of people will encourage them to give more. It will have long-term effect on the police psyche and how they interact with the people," said DGIP (Haryana) VD Sharma.

Very big salute to all the bravehearts, who are working hard for our safety. Kudos to the #HarayanaPolice and the entire Police department for their efforts. 🙏 @mlkhattar Ji @opsinghps Ji

Tweet by Sh Saikat Datta, South Asian Editor of @asiatimesonline

Every day I wonder at the leadership and dedication of the @cdgurugram volunteers & the @police_haryana personnel who work 12-16 hours a day non stop in Gurugram to provide relief.

All of you, CD volunteers & @gurgaonpolice personnel are an inspiration. #COVID-19

This would not have been possible without @saikatd who is working alongwith team of @gurgaonpolice

This team has distributed over 3.5 lakh cooked food packets ration kits from Mar 28 onwards.
